

AN ORDINANCE amending the Comprehensive Plan Map Part II, Resolution 28742 and relating to Article 2, Section 1, Ordinance 263 in the vicinity of the Upper Green River Valley.

PREAMBLE

The Comprehensive Plan Map of King County was adopted in 1964. Since that time a considerable body of knowledge as well as concern has been gained regarding the natural determinants for land use. Elements of this nature have been studied in the Upper Green River Valley concluding that conditions existed there which would be more appropriately classified on the Plan Map. It was further determined that the Comprehensive Plan Policies better apply to the Plan Map as amended.

The King County Environmental Development Commission has studied the proposed Comprehensive Plan Map amendment and approved the recommendation at its regular meeting December 21, 1971.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The Comprehensive Plan Map in the Upper Green River Valley is amended to OPEN SPACE: Agriculture and Flood Plain from RESIDENTIAL: Up to 2 housing units/gross acre as delineated in Attachment 1 of this ordinance.

INTRODUCED and read for the first time this 30th day of May, 1972.
